

## **Attachment Parenting For Everyone**

Presentation outline is based on Health Canada, Invest In Kids, and Attachment Parenting Canada and Attachment Parenting International Recommendations.

### **Course Objectives**

- Participants will discover the eight pillars of an Attachment Parenting style
- Participants will learn how to incorporate the eight pillars into their relationship with their child ages 0-19 to secure attachment and build the relationship

### **Presented by:**

**Judy Arnall, BA, International award winning Speaker and best-selling Author of  
“Discipline without Distress: 135 tools for raising caring, responsible children without time-  
out, spanking, punishment or bribery.”**
